

INSTRUCTIONS TO CONTRIBUTORS

1. Submission of Papers: All authors are requested to submit their original manuscript and figures with one copy (two sets in total) to the Office of Fukushima Journal of Medical Science, Fukushima Medical University Library, 1 Hikariga-oka, Fukushima City, Fukushima, 960-1297, Japan. Tel: +81-24-547-1682, Fax: +81-24-547-1996.

2. Manuscript Preparation

Manuscripts must be written in English, double-spaced with wide margins on one side of A4 paper. Original Articles are divided into the following sections: Abstract (approximately 200 words), Introduction, Materials and Methods, Results, Discussion, Acknowledgements, References and Figures legends. The sections of Review articles and case reports can be changed. The title page must comprise (1) the title, (2) the full-names of all authors, (3) their institutions, (4) running head (not exceeding 45 characters including spaces), (5) keywords (5 or less), and (6) the mailing address of the corresponding author including telephone and FAX number and e-mail address. An electric copy of the paper should accompany the final version.

References should be given in the following form:

1. Ohira H, Iwasaki M, Takiguchi J, Rai T, Shishido S, Abe K, Takeda J, Tojo J, Sato Y, Kasukawa R. HLA-A2-restricted cytotoxic T lymphocyte activity during interferon beta therapy in patients with chronic hepatitis C. *Fukushima J Med Sci*, 48: 75-83, 2002.
2. Morimura Y, Watanabe T, Nishiyama H, Yamada H, Yanagida K, Sato A. Apoptosis of tumor cells and prediction of radiotherapy response in uterine cervical carcinoma. (in Japanese) *Fukushima Med. J*, 53: 21-29, 2003.
3. Mollison PL, Engelfriet CP, Contreras M. Immunology of leukocytes, platelets and plasma components. *In: Blood Transfusion in Clinical Medicine*. 10th ed. Blackwell Science, Oxford, 425-458, 1997.
4. McDougall IR, Cavalieri RR. In vivo radionuclide tests and imaging. *In: Braverman LE, Utiger RD, eds. Werner & Ingbar's the thyroid: a fundamental and clinical text*. 8th ed. Lippincott Williams & Wilkins, Philadelphia, 355-375, 2000.

Figures should be clear, suitable for reproduction or reduction in size without retouching. They should be identified with the author's name and the figure number on the back.

Photographs must be supplied as they are reproduced, a scale should be marked on the photograph, if necessary. Where more than two color figures are required the author will be charged.

Tables should be numbered serially and given a suitable title and each table typed on a separate sheet. Footnotes to tables should be typed below the table.

3. Ethics: All studies that involve human subjects must abide by Ethical Principles for Medical Research Involving Human Subjects, the Declaration of Helsinki (http://www.wma.net/e/policy/17-c_e.html).

4. Page charge and reprints: There is no charge for articles of printed pages 12 or shorter. Fifty reprints will be supplied free of charge and additional reprints can be ordered using the order form accompanying galley proof.

5. The copyright of the articles published in the Journal is transferred from the authors to the Publisher, the Editorial Office of The Fukushima Society of Medical Science, upon acceptance of the manuscript.
